Change in Customer Details?

For any change in customer details, including address, billing arrangements, or reporting requirements, please let us know by calling 1-800-741-4141.

Business Voice and Trunk Services are provided by Comcast IP Phone, LLC.

Any issues with these services can be addressed by contacting us at (877) 543-3961

Unless noted otherwise in the Service Details section of this bill, all other services on this bill are provided by Comcast Business Communications, LLC.

On a quarterly basis, the Federal Communications Commission (FCC) modifies the contribution rate that voice service providers pay into the federal Universal Service Fund (USF). The USF supports funding for telecom services to eligible schools, libraries and rural health care facilities. If you subscribe to the Company's interstate and/or international services or data network services, a Universal Connectivity Charge (UCC) is assessed on such services. The UCC equals the FCC's approved contribution rate. FCC contribution rates may be accessed at: www.fcc.gov/omd/contribution-factor.html
Effective 01/01/2017, the rate has decreased from 17.4% to 16.7%.

Account Statement

At Comcast, we will continue to look to the future and the provision of new communications technology, new opportunities, and more choices, providing people with the communications products and services that connect them to what's important in their lives. If you have any questions about your voice, data or fiber-based services, please call us at the number seen on the top of page 1.

Will your business soon be moving to a new location? If so, please be sure to notify us at least 60 calendar days in advance of your relocation in order to avoid service interruptions. Call us and we'll assist you with any changes or updates to your account.

Attention Ethernet Dedicated Internet Customers:

Ethernet Dedicated Internet customers are now threat protection enabled via Comcast Business Threat Management Service. If you are the victim of a cyber-attack, you can request the service on demand or in advance by calling Customer Support at 800-741-4141. There is no monthly fee; for each EDI connection, services are charged with a one-time setup fee and per mitigation incident fee (incident fee covers a 24-hour period). Taxes, Surcharges, and Fees

Important Message

The Universal Connectivity Charge is not a government mandated tax. This is a fee that Comcast is permitted to charge to recover its contribution to the Federal Universal Service Fund.

Regulatory Recovery Fees (RRFs) are Comcast service charges imposed on voice and certain other services to recover Comcast's contributions for federal, state and municipal regulatory programs and assessments, including, without limitation, universal service. RRFs are neither government mandated nor taxes or fees imposed on you by the government, but are amounts that Comcast retains. The fees may vary based on service usage patterns and program surcharge rates, and may change over time.
